

February 12, 1974

PRESIDENT: The motion is to adopt the E & R amendments to LB 684. All those in favor of that motion please say aye, those opposed say no.

CLERK: Mr. President there is an amendment by Senator Cavanaugh on page 2 line 3 strike registered and on page 2 line 9 after court add upon showing of actual notice (Signed Senator Cavanaugh)

PRESIDENT: The Chair recognizes Senator Cavanaugh for his motion.

SENATOR CAVANAUGH: This is Senator Savage's bill on mailing notices Mailing subpoenas, I believe to witnesses for hearings, and it would provide for contempt by citation. This amendment would provide that you could only be cited for contempt on a showing that the witness had actual notice of the hearing date. As it presently reads, I think you could be subject to a contempt cite even in the absence of actual notice. I move the adoption of the amendment.

PRESIDENT: Any further discussion of the amendment. The question is, shall the amendment then be adopted. All those in favor vote aye, all those opposed vote no. You are voting on the adoption of the amendment as outlined by Senator Cavanaugh. To LB 684 on Select File. Once again the Chair would inquire if you have all voted? Clerk will record.

CLERK: 25 ayes, Mr. President.

PRESIDENT: The amendment is adopted. Are--there other amendments to the bill. All right Senator Cavanaugh, back to you.

SENATOR CAVANAUGH: I move that LB 684 as amended by advanced to E & R for Engrossing.

PRESIDENT: And now you have heard the motion to advance LB 684 as amended. All those in favor of advancing the bill please say aye, those opposed say no. The bill as amended is advanced.

SENATOR CAVANAUGH: I move the advancement of E & R amendments of 772.

PRESIDENT: The motion is to adopt the amendments to LB 772. All those in favor of that motion please say aye, those opposed say no. So ordered. The amendments are adopted. Now..

CLERK: Mr. President, I ask unanimous consent to bracket 772 on Select File (Signed) Senator Warner.

PRESIDENT: The Chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, and members of the Legislature. When the bill went off of General File, I indicated I would request to bracket it, to see if 984 which is a limitation bill by the Governor would be advanced from General File and that if it would be that I would certainly be willing to adopt that as a provision for 772, I believe that 984 is still in the Appropriations Committee is my understanding and someone on the committee could perhaps correct me if I'm in error, but it is my understanding is that they have not had a chance as yet to act upon it. There are some amendments which the Governor's staff at least I understand have concurred in to look at. And so I would ask to bracket it, pending the disposition of 984 one way or the other.

PRESIDENT: Senator Carpenter, the motion is to bracket the bill.
